Thanks Alice. The BSAF/BAF section is the part I'd really like Jay's input on - will get them to you next week.

Sure. I will send out everyone else's comments today, to give Louis Berger time to prepare for the call we have next week, but will add yours when I get them next week.

Alice,  
I looked at DER 6 and would like to have Jay Field review portions of it that I am not comfortable evaluating but he is on leave this week; is it possible to get a one week extension on comments on that report?

The draft final version of Appendix A (Data Evaluation Reports) is loaded to Sharepoint at "Reporting\Report Documents", filename "2012-07-31 Appendix A Data Evaluation Reports.pdf".

You reviewed the 1st drafts of these reports from July 2011 through March 2012. This draft final version is for you to make sure that your comments were adequately addressed. Please let me know by COB on 8/31.

(Note: The last Data Evaluation Report (#6 - Biota) was just reviewed, with comments due yesterday. So that one is not included in this draft final Appendix A. It will eventually be revised with your comments and sent to you for one last review before being incorporated into the final Appendix A.)
